*Fun fact:  
When I was little, I wanted to be a bus driver and an author when I grew up.*

# Mme Sophie

## A little about me!

I am entering my second year of teaching at OJCS and am very excited to spend my days with your little learners. I am passionate about learning languages and cultures, as well as travelling. In my spare time I love to stay active, mainly by swimming, running, or doing brazilian jiujiitsu with my husband. I like personal challenges and am very competitive!
