

# OJCS Summer Reading Challenge 2023

To help prevent the summer slide in our students, we are running our first ever summer reading challenge!

Students will be required to either read a certain number of books on their reading list provided by the teacher OR complete one or more genre bingos on the bingo sheet.

The prizes for students who complete the challenge will be;

- New high interest books
- Fidgets
- Fun school Supplies
- posters

## HOW DO WE ENSURE ACCOUNTABILITY?

- Parents/guardians must confirm that their child did indeed read the books that they say they did by signing a take-home form to be returned to their teacher in September along with either the bingo sheet or the recommended reading list and the 'Books Finished' page tracker.

## HOW WILL STUDENTS CLAIM THEIR PRIZES?

- On our first week back at school, students who have prizes to claim can be sent to the library during their language arts period to claim their prizes. I will have a large table set up with all of their choices.

# The OJCS Summer Reading Challenge Bingo

Even one bingo will win you a prize! But more bingos = more prizes! You need to hand this in to claim your prizes in September! Don't forget to have your parents fill in the reading challenge sign-off form and to fill in the books-read tracker page.
